

**POWERED BY**  
**SQUARE D**™  
by Schneider Electric

Mercedes Electric Supply **ProStock** offers customers next day lead times on the essential products for small to medium size commercial projects. We quote the job in house and supply the material right off our shelf.

With over **\$750k** in SQUARE D inventory we can reduce expedite fees and minimize lead times.

Time is money and by cutting down lead times customers can keep their projects on track.

Mercedes Electric Supply is committed to diminishing delays to ensure customer timelines are met.

### ProStock includes the following products:
